

Session Plan:

101.1: Know the importance of Health and Safety in the Construction Industry

101: Introduction to Health and Safety in Construction

101.1: Know the importance of Health and Safety in the Construction Industry

Unit:	101: Introduction to Health and Safety in Construction
Module:	101.1: Know the importance of Health and Safety in the Construction Industry
Code:	101.1
Duration:	2-4hrs
Sessions:	2-4

6219-06 EL3/L1 Construction Skills/Carpentry & Joinery

Session Aim:

Session Objectives:

- 1.1 state the importance of health and safety in the construction industry
- 1.2 state the roles of Health and Safety Executive (HSE)Objective
- 1.3 state the main regulations covered under the Health and Safety act 1974
- 1.4 state the responsibilities of individuals within the construction industry.
